REFRAIN

ॐ जय गंगे माता, श्री जय गंगे माता ।
जो नर तुमको ध्याता, मनवांछित फल पाता ॥

Om, victory to you, Mother Ganga; victory to you, revered Mother Ganga. The verse says that whoever meditates on you receives the fruit their heart desires. This opening couplet is sung again after each stanza.

STANZA 1

चंद्र सी जोत तुम्हारी, जल निर्मल आता ।
शरण पड़े जो तेरी, सो नर तर जाता ॥

Your radiance is like the moon's, and your water flows down pure. The verse says that whoever falls at your refuge is carried across (the ocean of worldly life).

STANZA 2

पुत्र सगर के तारे, सब जग को ज्ञाता ।
कृपा दृष्टि तुम्हारी, त्रिभुवन सुख दाता ॥

You delivered the sons of King Sagara, as the whole world knows. Your gracious glance gives happiness to the three worlds.

STANZA 3

एक ही बार जो तेरी, शरणागति आता ।
यम की त्रास मिटा कर, परमगति पाता ॥

The verse says that whoever comes to take refuge in you even once is freed from the terror of Yama, the lord of death, and reaches the highest state.

STANZA 4

आरती मात तुम्हारी, जो जन नित्य गाता ।
दास वही सहज में, मुक्ति को पाता ॥

Mother, the person who sings your aarti every day is truly your servant; the verse says that such a person attains liberation with ease.
